

**GREEN LION**

THE SMART CHOICE!

**VIORA  
HAIR STYLER**

3 HEAT SETTINGS

1200W  
POWER

Allows for full rotation, ensuring flexibility and ease of movement during styling, making it comfortable for various angles and positions.

Displays the device's power or temperature status, providing clear visibility to ensure precise control during styling sessions.

Designed for comfort and ease of use, featuring a handle that naturally fits the hand for extended use without strain.

Enhance styling by adding volume and smoothing hair, allowing for a polished, frizz-free finish with each use.
